DETAILED ACTION

At the outset, it is noted that the examiner of record in this application has changed.

Please direct all future proceedings concerning this application to Primary Examiner Jennifer E. Novosad, Art Unit 3634.

This Office action is in response to the (a) amendment filed June 9, 2005 by which claims 7, 14, and 20 were amended and (b) the election filed September 19, 2006.

Election/Restriction

Applicant's election of Group I, i.e., claims 1-6, in the reply filed on September 16, 2005 is acknowledged. Although applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election with traverse (MPEP § 818.03(a)). *Accordingly*, claims 7-22 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to nonelected inventions, there being no allowable generic or linking claim.

This application is in condition for allowance except for the presence of claims 7-22 drawn to inventions non-elected with traverse in the reply filed on September 16, 2005. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

Art Unit: 3634

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

Claims 1-6 are allowed.
